Ring 2 - Dog Agility

Starts at 11.00 am

We are delighted to welcome back local members of LEADS Agility Club with their very popular Dog Agility display to this year's show. It's pretty noisy so I'm sure you will hear them! Dog Agility is fun for adults & children and this is your chance to have a go!

11.00 am – They will be doing some **Trick Training**. They will demonstrate some tricks you can teach your dogs at home and will show that Agility is just teaching your dogs some tricks. Does your dog have a great trick? This demonstration will be followed by a chance for you to show us what your dog can do with a competition to pick the best dog trick!

1.30 pm – The team will do their very popular **Agility demonstration** with dogs from small to large and show what fun you can have with your dog. This will be followed by a chance to have a go with your dog where you could win a rosette! Its great fun so come and take part.

Bring your dog, a sense of humour and have some fun. Just a £1 to enter.

Ring 3 – Gundog Scurry

Starts at 11.30 am

If your dog likes to retrieve, then this could be the place for you! Your dog doesn't need to be a gundog – just enthusiastic. Demonstrations 11.30 & 2.00 each followed by the opportunity to let your dog have a go. Just a £1 to enter. Adults & children will all enjoy having a go.

There are five memory retrieves using training dummies and tennis balls hidden in cover – maybe in water or behind a fence. The dogs love it, spectators love it and you could win the coveted “Mike Davies Trophy” for the fastest round. Rosettes to 4th.
